#### Statue Approval Application

This has now been submitted to Parks Victoria with a copy to its Consultants in Buro North on the Point Nepean Strategy as advised in Progress Report No 5. See the Parks Victoria's Letter to John Wilson dated 21 Jun 2019 acknowledging receipt and outlining the future enclosed timeline. Details can be checked out on the website listed below by clicking onto the link "**Happenings**" in the Home Page.

#### Website Re-development Project

Rob Murray has progressed this project to its current status. Its Domain Site is:

<https://www.ocsportsea.org/>

Rob has requested help in putting names to class photos that have so far been inserted. He is continuing to update more class photos so future corrections would also be welcomed. See steps below:

- By clicking onto the above Domain Name and following the prompt it will bring up the Home Page. Click onto Class Photographs in Recent Posts for Bob's specific request.
- Then click onto the Class List Link on the Home Page.
- Select your class. [As stated NOT all class photos have been entered but "watch this space"].

### Webmaster's Message to Alumni Members

We are slowly putting together more detail to return the site to something that Bob de Haas would be proud of. There are challenges that we uncover from time to time. Our current one is simple yet challenging:

challenging:

- Class photos are gradually being added. We are up to 1960 and moving.
- We have all the class photographs plus names that accompany each photo indicating those present, and in some instances those absent!!! On checking though, some of our eagle-eyed helpers have identified some small errors in the lists.
- If you can help provide an accurate listing of names as seated/standing, preferably from your class list, please contact us so we can discuss the list with you. Leave a Comment or use the **Contact Us**

form on the website.

### Proposed Statue Sketch

As reported in Progress Report 5 this sketch has been privately commissioned. The Artist, Mr Rob Milton will eventually publish it on his website for sale to any member wishing to buy a copy. See his website at:

Thanks to all who have progressed the above projects to current stages. Further Progress Reports will be promulgated as various timelines are reached.
